

GLUTEN FREE STATEMENT

EMPACADORA DEL GOLFO DE MÉXICO, S.A. DE C.V. certifies that the products listed in Annex 1 are considered gluten free according to the requirements mentioned in 21CFR101.91:

- The raw materials and ingredients inherently do not contain gluten
- They are processed, packaged and transported in gluten-free facilities.
- The gluten content in the ingredient and in the finished product is less than 20 ppm.

This has been verified with an equivalent declaration from all suppliers of raw materials and ingredients that make up the formulation of the products and with the monitoring of the prerequisites of Allergen Control and Good Manufacturing Practices applied in the facilities.
